"Available from the hours of 9 a.m. to 6 p.m. on weekends"

About me

I am a highly motivated individual with a passion for continuous learning. I am driven by the belief that continuous learning is the key to personal and professional growth. I truly believe in the saying, "Learn something about everything and everything about something".

Education

Pursuing Computer Science and Engineering
Isl Engineering College (2021 - 2025)

Intermediate (XII)
Sri Chaitanya junior kalasala (2019 - 2021)

School
Shuja Grammar school (2007 - 2019)

Skills

- HTML, CSS
- **JavaScript**
- **Python**
- Java
- OpenCV
- SQL

Tools

- **Figma**
- VS Code
- **CorelDRAW X7**
- PyCharm
- **Git**
- **GitHub**

Achievements

GDSC UI/UX Lead'23

As the GDSC UI/UX Lead'23, I played a pivotal role in educating my college students on the intricacies of UI/UX design.

Coordinator at Hardware and Robotics Club

As a coordinator, I conducted engaging workshops focused on Arduino programming, empowering participants with practical skills in hardware development

Projects / Experiences

FACIO

AUTOMATED ATTENDANCE USING FACE RECOGNITION

Developing an Automated attendance system by detecting the faces of students in classroom. Taking the help of Deep Learning techniques and facial recognition algorithms such as HOG (Histogram of Oriented Gradients) and mark the attendance with just a photo. Creating an easy and foolproof experience for teachers to mark attendance.

*Tech Stack: **Android studio, Java, Firebase, Google maps API***

TRAIT-TRACER

ANALYSING CANDIDATES PERSONALITY USING SOCIAL MEDIA ANALYSIS

AI-driven tool optimizes recruitment by integrating AI-enhanced psychometric tests, social media analysis, and interactive challenges to gain deeper insights into candidates' abilities. This comprehensive approach helps identify candidates who meet both job requirements and align with the organization's values. Assessing personality traits aids in selecting employees best suited for their roles.

*Tech Stack: **Redis, Beautiful Soup, TensorFlow, JavaScript***
